Supervisors' 6 Hurt In Traffic Mishaps, Including 3 Young Children

Backers Of County Plan To Attend Wednesday Session At Edwardsville

Although a discussion of county zoning is not on the agenda, members of the Madison County Citizens Planning Committee will attend the board of supervisors meeting Wednesday to show their interest and support of county zoning legislation.

C. W. Hoelscher, president of the citizens' committee, said his group has asked that a letter be sent to the board concerning the need for zoning be made a record of the meeting. He said he does not anticipate taking the floor, but will be glad to do so if called upon.

The meeting, which is the board's regular August session, is scheduled for 10 a.m. in the supervisors room in the basement of the county courthouse at Edwardsville.

Miss Eulalia Hitz, county clerk, said she has received letters supporting the zoning project which she will read at the meeting. Other than that, she noted, no reference to the matter is included in the agenda.

Hoelscher said members of the citizens' committee are surveying their supervisors to determine their stand on the proposed zoning legislation.

"Now we're going to be there to show our own interest and support," he said.

Plans Made Earlier

Twenty-one members of the citizens' committee agreed at a meeting last week to attend the Wednesday supervisors' meeting, accompanied by others who support zoning.

Although six persons were injured in Quad-Cities traffic accidents over the weekend, none were reported in serious condition. Police said there were 16 mishaps, three in which children were struck by autos.

A little girl who crawled under an auto apparently to retrieve a toy suffered only minor injuries Saturday afternoon when the motorist started to back his car out of the driveway, not knowing she was there.

The mishap occurred in the driveway at the home of Leonard Giles, 40, of 2916 Forest avenue, who took the girl, 21-month-old Marie Little, to St. Elizabeth Hospital, where she was detained for observation. She suffered abrasions to her back and right ankle and a bruise to her head. Giles told police he and his wife upon walking to their car went around it but did not see the girl. He was backing out of the driveway when a neighbor yelled and he immediately stopped. The girl, daughter of Mr. and Mrs. Marvin Little, 2301 Wilson Avenue, was able to crawl out from under the auto.

Injured Boy Pulled From Bottom of Pool

A boy who struck his head on the edge of the Wilson Park swimming pool as he dived in from the side was rescued from the bottom of the pool by his cousin and taken by ambulance to St. Elizabeth Hospital about 2:30 p.m. Friday.

The boy, Michael Hart, 13, son of Mr. and Mrs. Richard Hart, 13, of 2324 Iowa street, was admitted to the hospital where several stitches were taken to close a cut on the back of his head. He was detained for observation and X-rays.

His rescuer was his cousin, Barbara Ruth Haley, 14, of 2125 Washington Avenue.

Michael, who usually goes swimming with his 11-year-old brother, went alone Friday but became concerned and then reported him at the bottom. She dove in and was aided by a life guard in pulling him out.

Shoplifting, Auto Theft Reported Here On Weekend

Thefts reported over the weekend by local police ranged from shoplifting to coins taken from vending machines, with one theft attempt foiled by the property owner. One auto was reported stolen.

A ladies coat valued at \$79 was shoplifted Friday morning from the Helman's Style Shop, 1312 Nineteenth street. It was described as a three-quarter length black leather model with white piping.

A break-in at the Radman General Store at 1135 Calhoun street was reported to Venice police Thursday, with several pairs of shoes and other items taken. Police said entry was gained by forcing a window.

The break-in was discovered after two new shoes — both for the left foot — were found in a nearby vacant lot. Six empty boxes were found in an alley between Calhoun and Dodge streets. Two "rabbit-ear" television antennas and four pairs of trousers also were reported missing.

1953 Auto Stolen

A 1953 four-door blue and tan auto was stolen after 1 a.m. Sunday from Claude Dows, 11, son of Mr. and Mrs. Donald Dows, 2316 East 24th street, sustained contusions to the right knee at 7 p.m. Friday when he was knocked from a bicycle by an auto. He was treated at St. Elizabeth Hospital.

According to police he was riding double on a bike which was in front of an auto driven by Victor B. Mount, 54, of 2634 East 24th street. The auto and the bike were both heading west in the 2300 block of East 24th.

Mr. Clara Mitchell, 62, of 2028 Denny Avenue, was admitted to St. Elizabeth Hospital for lacerations Saturday morning following a two-car pile-up at 39th and Adams streets. She complained of injuries to her right hip and leg.

Students Enroute Home From Mexico

Return Trip Going On Schedule; To Arrive At 12:30 P.M. Tuesday

Granite City's teenage Latin-American musicians, who conquered Mexico City with rhythm, are enroute home by bus — tired, happy and loaded down with souvenirs and contentment.

"We'll be on schedule and should arrive at Coolidge junior high school about 12:30 p.m. Tuesday, Eugene Alois, public relations man for the youthful group, told the Press-Record when telephoned Saturday by this newspaper.

He confirmed the schedule early today.

Alassi, whose job was a "snafu" as the youngsters proved to be public relations experts themselves and overwhelmed the Mexicans with their manners and ability, said the group is in perfect health. "While said at leaving the colorful capital and new friends, they're all looking forward to their return home," he remarked.

The experience of traveling and performing in a foreign country, he added, has left a marked impression on each of the youngsters.

Miss Fletcher, GC Teacher For 39 Years, Dies

Miss Ruth Edith Fletcher, 69, a teacher in Granite City for 39 years, died at 2:45 p.m. Friday at St. Elizabeth Hospital where she had been a patient since July 3 with a heart ailment. She lived at 2615 State street.

Miss Fletcher retired in June 1960 after teaching at Central and Coolidge junior high schools since 1921. She was a former president of American Federation of Teachers local 743 and chaired the committee which set up the basic principles of the present teachers' salary schedule.

She headed several other school committees, including English curriculum and course of study groups and a senior high school dropout study, and served on the building committee during her years at the two schools. She is credited with starting junior high remedial reading and book-report programs.

Big Welcome Planned

School officials and civic leaders will be among the throng of parents, relatives and friends who plan to turn out at Coolidge junior high school tomorrow at 12:30 p.m. to welcome home the school's triumphant Latin-American Rhythm Ensemble.

Eugene Alois, who is on television and radio, confirmed this morning that the return trip is being made on schedule.

15 Restaurants Face Strike Deadline

With a Wednesday strike deadline pending, 15 of 45 local restaurants negotiating with Local 461 of the Cooks and Waitresses Union have not yet signed new wage hike agreements.

Mrs. Helen Peters, union business representative, said today some of those who have not signed have not been contacted, while a few "may prove to be hold outs."

"We think most of those yet to be contacted will sign," Mrs. Peters said, "and some of the others are waiting to see what she said she is optimistic that the remaining restaurant owners will sign, but emphasized that the Wednesday strike deadline approved earlier by the union membership still stands.

The union is seeking a five-cent hourly pay increase under a wage opening clause in a two-year contract which expires next June 1. Local 461 represents 200 restaurant workers.

City Humane Officer Taking Painful Shots

Humane Officer Scott Craycraft today began taking a series of 14 painful anti-rabies inoculations. "I guess you'd say it goes with the job," the 43-year-old dog catcher said.

Craycraft, who was bitten on the right forearm Saturday when he was removing a stray female "sooner" dog from his truck, said the animal had given him no trouble when he picked it up on Denver street. Residents had complained the dog was frothing.

While Craycraft believes the dog was frothing because of a lack of water rather than an illness, he is taking no chances and is following the advice of his doctor. Explaining the "sooner" name for the dog, he said, "It would 'sooner' bite you as look at you."

Settling Basins In Lake Opposed

GC Steel Says Other Areas At Horseshoe Lake Not Suitable

Efforts by Granite City Steel Co. over the weekend to launch a restudy of its proposed pollution abatement settling basins in Horseshoe Lake proved fruitless. It was learned this morning from a company official.

Engineering studies already had been made at a location south of the plant, but sufficient land was not available. Announcement of a restudy was made yesterday, but after conferences with engineers, it was learned such a study already had been made. Location of the settling basins in the lake was the approval of the state Sanitary Water Board, it was pointed by Nicholas P. Veeder, president and board chairman for the steel firm.

Objections to the steel plant's pollution abatement project in Horseshoe Lake State Park Commission. Reiske said the settling basins would eliminate the lake for a \$3,500,000 development as a 775-acre state park and wildlife refuge.

Reiske, who said he has standing authority of the central trading executive committee to take action concerning the lake project, sent telegrams Friday to Rep. Melvin Price and U. S. Senators Everett M. Dirksen and Paul Douglas. He requested their aid in securing federal funds to purchase the lake and adjoining land for state park purposes.

Reiske, who said he has standing authority of the central trading executive committee to take action concerning the lake project, sent telegrams Friday to Rep. Melvin Price and U. S. Senators Everett M. Dirksen and Paul Douglas. He requested their aid in securing federal funds to purchase the lake and adjoining land for state park purposes.

GC Steel Says Other Areas At Horseshoe Lake Not Suitable

Efforts by Granite City Steel Co. over the weekend to launch a restudy of its proposed pollution abatement settling basins in Horseshoe Lake proved fruitless. It was learned this morning from a company official.

Engineering studies already had been made at a location south of the plant, but sufficient land was not available. Announcement of a restudy was made yesterday, but after conferences with engineers, it was learned such a study already had been made. Location of the settling basins in the lake was the approval of the state Sanitary Water Board, it was pointed by Nicholas P. Veeder, president and board chairman for the steel firm.

GC Ensemble Could Have Played For 2 More Weeks

(Special to Press-Record From Mexico City)

Two more weeks could be used by the Latin American musical ensemble in filling requests for performances in Mexico, Eugene Alassi, Granite City director of art education, reported in a dispatch received today.

The group had to turn down a flood of requests from schools, service clubs and conservatories.

GC Group Invited To Tour Brazil

Granite City's own Latin American Rhythm Ensemble has a tentative invitation from the Brazilian government to tour the three major cities in that country, it was reported today by Eugene Alassi, art director at the high school, who is with the touring group now en route home from Mexico.

Alassi said the Brazilian government had officials in Mexico City who heard the youngsters perform and extended the unofficial invitation for a one-week, all-expense paid tour of that country next spring.

of music in order to meet the scheduled return here tomorrow. The requests "repeat the message that the ensemble from Coolidge Junior high school is wanted because of the "adult capability" by such young people, Alassi said.

The ensemble extended its captivity of Mexican audiences that week with a main concert at Mexico's National School of Music. They were treated to a performance of the "Ballet Folklorico Mexicano" later at the Palace of Fine Arts in Mexico City.

The ensemble was the second

American delegation entertained by the Mexican folk ballet group. Last month, the performers entertained for the President and Mrs. John F. Kennedy during the chief executive's visit to Mexico. The famous ballet group is to be featured at the Seattle World's Fair this year.

Senile Settling

The school of music performance was held for an audience of music students and faculty, and their families, in a setting near the architectural school of beautiful carved stone, Alassi said. The concert was held in an open pavilion with a classic Spanish fountain at its center.

The audience was held spellbound by the ensemble's playing of adaptations from one of Mexico's dance groups, the Carlos Pampas Orchestra, said Alassi. The Mexican patrons were astounded by the fact that the students of junior high age level could master the selections reserved only for the finest professional musicians.

The students played many additional encores after the scheduled hour-long performance, Alassi said, due to repeated requests for "extra" following each selection. "The audience could only be calmed by an appeal by the director of the school for consideration of the difficulty of performances by young musicians and the great strain, in particular, on the trumpet players in performing the professional and difficult arrangements."

Director Robert D. Todoroff and the students were besieged by requests for autographs and congratulatory statements at the reception that followed the performance, Alassi said.

The students were enthralled by the great beauty they saw when they visited the Palace of Fine Arts, Alassi said, and "this evening will live long in the memory of the hearts of those Granite City children."

Six Local Girls Will Receive Nurse Diplomas

Six local students will receive diplomas at graduation exercises of the Jewish Hospital School of Nursing Thursday evening at Temple Shaare Emeth in St. Louis.

They are Ellen Dowdy, 2814 Pershing avenue; DeOnne Fashick, 2105 Cottage avenue; B. Phyllis McBrian, 2511A Grand avenue; Sylvia Miller, 2513 Jordan avenue; Barbara Mischelhorn, 2609 Grand avenue; and Mary Ann Ryan, 1508 Garfield avenue.

Alfred Fleishman, senior partner of Fleishman Hillard, Inc., St. Louis, will give the commencement address and David Gie, associate director of the hospital will preside. Sixty students, the largest class to graduate from the school, will receive diplomas.

They will be awarded by Edward B. Greenfelder, vice-president of the hospital, who will be presented to the class by Miss Edna E. Peterson, R. N., director of nursing. Mrs. Harry L. Franc Jr., chairman, committee on nursing, will present awards and scholarships.

GCMS Instructor Records Cosmonauts' Conversation

A Granite City high school electronics instructor reports that he recorded what is believed to be a radio conversation between the two orbiting Russian cosmonauts Sunday.

William F. Brown, who lives at 1570 Fairmount avenue, tuned in on the conversation about 1:20 p.m. Sunday. After translation by a Russian instructor at St. Louis University, the message by ham radio operator Brown was broadcast over a St. Louis radio station. Although the recording may be a conversation between ground-control and one of the cosmonauts, the quality of sound seems to indicate it was satellite-to-satellite communication.

Money Order Lost

Wesley Ziegler, 1800 Poplar street, reported to Granite City police that he lost an express money order for \$69 Saturday evening.

Machine Blinded

A soft drink dispensing machine was broken into at Granite City Supply Co., 20th street and railroad tracks, and an undetermined amount of money stolen. The burglary was discovered early Sunday afternoon by the owner, Mrs. Louis Buehner, who had gone there to work on a burglary late Thursday night or early Friday morning at a cigar shop at 1800 S. State street. Manuel Rabe, the proprietor, found the rear door kicked in when he opened up Friday. All the cigarettes were taken and the coin box emptied.

ported the proposed legislation. Hoelscher said a noon meeting of the group is planned at Edgewood avenue, and he would be convenient to attend the board meeting earlier. He said no action is planned at the board meeting by committee members unless they are called upon to vote.

"Our purpose in attending is that we have asked that our recent letter be read at the meeting," Hoelscher said.

The complaint states that Branoff and Josephine Giovando, the owner of the establishment, have been aware of the practices and have not attempted to stop them.

Bartylak charged continued operation of the place will cause "irreparable injury" to the people of the county in that the morals of the citizens "have been thereby lowered and contempt of courts has resulted."

Mrs. Goldie Bell Dies At 64; Ill One Week

Mrs. Goldie Doty Bell, 64 of 413 Division street, died at 6:10 a.m. today at St. Elizabeth Hospital. She had been ill a week and was hospitalized since Thursday.

Mrs. Bell was born in St. Louis and had been a Granite City resident 38 years. She is survived by her husband, Albert M. Bell; three sons, Albert E. Robert W. and Richard D. Bell, all of Granite City; a daughter, Mrs. Edmund (Lorraine) Mary Wilkinson, Granite City; a brother, Raymond Doty, Caseyville; a sister, Mrs. Leona Nunn, Granite City; and nine grandchildren.

Funeral arrangements are given in the obituary column.

George M. Gordon Sr. Rites At Louisville

Funeral services were conducted at 2:30 p.m. Saturday at Louisville, Ky., for George M. Gordon Sr., 80, a former Granite City resident. Mr. Gordon died on Thursday following a three-year illness.

Survivors include three sons: Thomas S. and George Jr. of Granite City and Reginald of Louisville; a daughter, Mrs. Lucille Humphries of Louisville; seven grandchildren and seven great-grandchildren. Mrs. Lora, preceded him in death in 1941.

Mr. Gordon was born in Marshall county, Ky. He lived in Granite City from 1950 to 1960. Burial was in Louisville Memorial Gardens.

Alibi Lounge Ordered Closed By Injunction

Circuit Judge Harold R. Clark on Friday issued a temporary injunction closing the Alibi Lounge, 9401 Collinsville road, which reopened as a restaurant after its liquor license was revoked July 10.

Bartylak issued the injunction on complaint of Assistant State's Atty. Joseph Bartylak, who alleged the lounge was being used for "lewdness, assignation and prostitution."

The establishment's liquor license was revoked April 25 after a summary raid by state and county authorities in which two women were charged with prostitution. The lounge continued to operate while the license, Harry Branoff, appealed to the state liquor commission. The appeal was dropped last month.

When the appeal was dropped, Bartylak's complaint states that since that time the establishment has been open as a "restaurant," and that "women of immoral character openly solicited acts of prostitution" in the building.

The complaint states that Branoff and Josephine Giovando, the owner of the establishment, have been aware of the practices and have not attempted to stop them.

Bartylak charged continued operation of the place will cause "irreparable injury" to the people of the county in that the morals of the citizens "have been thereby lowered and contempt of courts has resulted."

Madison Auto Fire

Madison firemen answered an alarm at 1:15 a.m. Saturday to an auto fire at the rear of the Red Crown liquor store, 312 Madison avenue. No damage was reported.

MORE ABOUT GC Steel To Restudy

(Continued from Page 1)

Schwartz of Edwardsville, and State Rep. Lloyd "Curly" Harris were in Springfield Thursday to confer with William Lodges, director of the state Department of Conservation, and his assistant, Sam Parr. They were told the state Sanitary Water Board had approved the steel mill's plan to install the settling basins in the lake, immediately east of its blast furnace plant.

The basins, which would be built in the lake with earthen walls, would take up about 300 acres of the proposed 773-acre state park and would extend to within 300 feet of the eastern shore.

Still in the planning stage, the basins would include skimming ponds for removal of oil and other materials from waste water of the entire steel mill and also settling basins. They would occupy less than a tenth of the entire lake area.

The lake land, most of it under water, was purchased from private owners—412 acres owned by August E. and Lola Rath and Edwin and Amelia. Giese and 100 acres owned by the late John Harbig.

The steel mill official said the purchases were made in a normal method through a straw party, and the settling basins plans were filed last March 26 with the state Sanitary Water Board. The board gave its approval on May 9.

The steel plant's pollution abatement program, Voeder explained, is tied in with the city's \$10,000,000 proposal for pollution abatement and storm water drainage. The city also plans to use the lake more extensively for drainage purposes.

The company's plan for its own sewage treatment program was first presented to the city's Citizen Sewer and Drainage committee about a year ago and has been discussed at city council sessions in connection with the pollution-drainage program.

Reiske, who is a member of the city's citizen group, said he was unaware of the details of the company's plans until last week's meeting with the state conservation officials.

In his telegram to the congressmen, Reiske stated: "As you know, for the past few years we have exhausted every effort to have the Horseshoe lake area made into a state park for the people of Madison and St. Clair counties. This action of Granite City Steel will prevent permanently our efforts for a state park and recreation area."

"We learned at a meeting today that the federal government purchased tremendous amounts of land at Carlyle, Ill., and turned it over to the state for conservation and recreational purposes. We plead, please help us save Horseshoe Lake for the people of this area."

Last year, the state legislature approved a resolution for the \$3,500,000 lake park development, but the measure was vetoed by Gov. Kerner.

William Nichols, president of the Horseshoe Lake Landowners Association, today praised Granite City Steel's anti-pollution program, saying it would be of great benefit to lake property owners. He added that he did not believe the settling basins would be detrimental to the lake-park development.

"It's been approved by the state Department of Conservation, and William Harth, superintendent of fisheries, has given his okay," Nichols continued. "There was nothing under the desk by Granite City Steel. They had union men out last spring for several months surveying the lake area and test boring. Reiske should have known all about it."

"I should be mad at Granite City Steel. They put me out of the fish business. But I think what they have planned will be most beneficial to residents along the lake," Nichols concluded.

Press-Record Expansion Groundwork Begins Today

Excavation began today for construction of an estimated \$100,000 addition to the Press-Record building at 1817 Delmar avenue.

Plans call for a 40 x 30-foot present building and modernizing the Delmar avenue outline and appearance of the building. The design is by Gabriel and Dulgeroff architects. M. H. Wolfe & Co. is the general contractor of the project.

The first floor addition is to allow for newspaper plant expansion and will house business offices now with the advertising department.

The second floor will be comprised of offices and a conference room and will include kitchen facilities.

Silver Plate To Tomorrow

Midway through the concert, which was open to the public, the program was halted, and the ensemble director, Robert D. Todoroff, took to the stage to present a large silver plate inscribed in Old English type engravings with the salutatory and complimentary messages. The presentation was made by a representative of the enthusiastic audience.

Each of the girls in the ensemble was presented with a large bouquet of flowers.

Alas! told the Press-Record the only change in the tour schedule that was made was the time of departure from Mexico City. While originally it had been planned to leave on Sunday with no overnight stops on the return, a decision was made to leave on Saturday night after the Lions Club concert.

"With economies, we're able to have a stopover at Laredo, Tex., for a night's rest," Alas! explained. The group arrived at Laredo last night.

While no trouble was anticipated at the custom stop on the border, it was reported the youthful musicians have bought goodly shares of souvenirs, with sterling silver jewelry being the favorite.

Expect Purchases

Choice spot for souvenir buying was Mexico City's Universal Market, where prices are not fixed and purchases are made by dickering. The youngsters became quite adept, picking up the essential language to drive the sharpest bargains. They had been cautioned in advance, and in most instances completed transactions as well as the native Mexicans.

On the shopping and sightseeing spree, an adult chaperone accompanied three youngsters. They went where they pleased.

While much time was spent rehearsing and playing, ample opportunity was given for sightseeing. On Friday, the entire ensemble took the day off and went to Tuxco.

They had a meal at the Rancho Pasco hotel, where the staff served dinner on an open terrace amid trees and shrubs and made a party of the affair.

Historical sights, such as Cortez's palace and a market place that the Casbah, were special treats.

Last Thursday, the ensemble was photographed and interviewed by a Brazilian newspaperman, and the picture and complete history of Granite City's Coolidge Junior High school ensemble is to appear in 67 newspapers in Brazil.

Auto Passenger Hurt

Gary Sans Souci, 23, of 2119 Ohio avenue, suffered an injured right arm at 4 a.m. Saturday. He was a passenger in an auto driven by Wallace B. Goode, 22, of 2622 Edwards street. Goode told police he was taking his friend home and was driving east on west 20th street. An auto made a right turn onto west 20th from Illinois avenue, he said, forcing him to swerve and strike a utility pole.

3 Auto Fire Alarms Answered In GC Sunday

An auto belonging to Maynard Start, 2439 Adams street, caught fire at 5 p.m. Sunday at 27th place and Noyah drive. The fire was out when firemen arrived. A small hose connections burned and the loss was estimated at \$250.

Cur service was afforded George W. Williams, 805 Washington avenue, Madison. He drove his auto fire to the main station to have it extinguished. About \$150 damage was done to the rear seat and back rest. The fire was caught by a cigaret, firemen said.

About \$200 damage was incurred at 7:30 p.m. Sunday at 2313 Edgson avenue when a garage caught fire. Firemen removed an auto from the garage, extinguished the blaze, then replaced the auto. The owner, Glen Harris, was on vacation with his family.

ASA Illinois Meet Opens Wednesday In Wood River

The 16-team, single elimination Amateur Softball Association's Illinois state tournament will get underway Wednesday with two games at Jaycee field in Wood River.

The host Alton Chiefs will oppose the runners-up from the Springfield regional in the first game at 7:30 p.m. in the lower bracket. Defending champion Casey will meet the Vandalla Merchants, third place finishers in the recent Wood River regional who are getting an unexpected opportunity to play on the state level since another regional tourney runner-up will be unable to make the state finals.

Thursday night, the Granite City park district, regional second place finishers at Wood River, will oppose the Springfield regional winner at 7:30.

Wood River regional champions, Alt-Wood Merchants, are scheduled to play Cerro Gordo at 9:30 the same evening.

Other first round games are scheduled to be completed by Saturday night, when quarter-finals will begin. Two quarter-final games will be played Sunday afternoon, and the tourney's two semifinal contests on Sunday evening.

The title game will be played at 8 p.m. next Monday, with the tournament champion qualifying to the ASA west-central regional later this month at Decatur.

Cubs, Red, Cards Win In Mitchell League

The Cubs, Reds and Cardinals took turns winning last week's Mitchell boys' baseball program. The Cubs were 3-2 victors over the Tigers, while the Reds turned back the Blues 10-3 and the Cards scored an 11-4 win over the Cubs.

Tomorrow night the Cards will face the Cubs again. On Wednesday the Blues are scheduled to play the Pirates, and Thursday evening's contest will pair the Reds and Pirates.

Campbell, Marshall, Benoist Double Winners In NODA's Outboard Races

George Campbell of St. Louis, Jim Marshall of Ferguson and Joe Benoist of St. Louis were each double winners yesterday in National Outboard Drivers Association races staged by the Bow Line boat club and the Granite City Kiwanis Club at the mouth of the Hartford canal on the Mississippi river.

Campbell won the B hydro and B runabout classes, Marshall was first in the A hydro and A runabout, and Benoist took first money in C service runabout and C service hydro.

Three Granite City drivers also won or placed in the 11

classes of outboard competition. Defending national NODA point champion Billy Seebold Jr. won in the C racing runabout class, was second in C service runabout, A hydro and A runabout, third in D-F hydro, and fourth in B hydro.

Bogolan Hydro Winner Paul Bogolan won the C racing hydro class, was third in C service hydro and fourth in C racing runabout.

A large crowd watched the racing program, which began at 1 p.m., from vantage points

along the eastern shore of the Mississippi.

Class winners: A runabout — Jim Marshall, St. Louis; D-F runabout — John Woods, St. Louis; C service hydro — Joe Benoist, St. Louis; B runabout — John Dorch, St. Louis; D runabout — no legal boats; A hydro — Jim Marshall, Ferguson; B hydro — George Campbell, St. Louis; C racing runabout — Bill Seebold Jr., Granite City; D-F hydro — Ralph Hemmingshaw, Sandoval; C racing hydro — Paul Bogolan, Granite City; B runabout — George Campbell, St. Louis; C service runabout — Joe Benoist, St. Louis.

Madison Baptist, Niedringhaus Win 2 In Church Loop

Madison Baptist maintained its comfortable margin atop the Church slow pitch softball league standings last week with wins over Community Heights and East Central.

Niedringhaus Methodist also won a pair of games—from Cedar View Baptist and Good Shepherd—to strengthen its hold on second place.

The Methodists scored 11 runs in the final two innings Friday night for a 20-10 bulge over Good Shepherd, with Gene Briggs and Rich Marcus collecting triples. Virgil Mobley was the winning pitcher, Jim Jones the loser.

Cedar View survived an eight-run rally in the last innings by Community Heights to edge out a 14-12 win. Rich Utley and Dave Wilson each homered for Community Heights in the third inning. Kenny Carr got the win and Dave Wilson took the loss.

Madison Baptist built up a 10-1 lead over two innings Friday night against Bethel, and won by a final 12-9 score. Dave Hessel hit a two-homer for Bethel, but Bob Page hit one with two on for Madison, and Eaves was the winning pitcher, Jim Cox the loser.

Thursday Winners
Madison Baptist scored 14 runs in the fifth inning of its contest with Community Heights. The contest began with a homer by an upset by Community, which led 12-10 as the inning began. The contest finally wound up 25-15 in favor of the Baptists.

Bill Page shocked two homers and Smoltz hit one for the winners. Bob Page was the winning pitcher, coming off a relief starter Frank Eaves in the fourth. Jim Farr was the loser.

Niedringhaus Methodist had a bit of a problem with Cedar View Baptist in the first game, banging out 25 hits in a 20-5 victory. Bill Marcus hit two homers and drove in four runs for the Methodists, who scored six runs in both the fifth and sixth innings. Lee Reid was the winning pitcher. Ned Reid was the losing pitcher, Kenny Carr the loser.

'Learn To Bowl' Program
Planned At Bowland Lanes

A series of five free bowling lessons is being offered to the public by Bowland Lanes, Inc., 5040 Nameoki road, during a national "learn to bowl" program prepared by a bowling equipment manufacturer.

The special classes, from Aug. 7 to Sept. 4, are planned for senior citizens, men, women and teenagers with each series offering personal instruction for beginners. All necessary equipment will be made available at Bowland, according to proprietor Jack Jachino.

The five lessons cover etiquette on the lanes, principals of bowling ball grip and release, the approach, arm swing and footwork, the hook and straight ball techniques and proper "picking" of spares.

Classes at Bowland will be held Tuesdays through Fridays at 1 p.m. and again at 7:30 and 9:30 p.m. Bowlers may register by calling TR 7-2680.

Hollis Takes Speedway's Feature Race

Dave Hollis won the 25-lap feature race for modified stock cars Saturday night at the Tri-City Speedway. Following the Granite City driver across the finish line where Tom Mohon and Mac McGovern.

Mohon turned in the fastest qualifying time, but Art Range was first in a special handicap race for the six fastest qualifiers. Mohon and Hollis won modified heat races.

Bill Field took the amateur class feature race, with Ron Taylor second and Whitey Henderson third. Henderson and Taylor were first place finishers in amateur heat events.

The fender-bender class feature race went to Russ Price, Clarence Corbin was second and Fred Jones third. Wayne Hewett and Corbin were fender heat winners.

Next Saturday night the speedway will stage a ladies' race as an added attraction to its regular program of 10 races in three classes.

Winds Plague Modelers In TCSS Events

An estimated 1500 spectators were on hand yesterday for the various phases of the Tri-City Sky Stealers' open model airplane contests held at Wilson Park.

Ten model clubs sent contestants to the meet, with Terre Haute, Ind., and Wapello, Ia., the most distant points represented among the 62 entrants. Gusts winds hampered the modelers most of the day, especially in the Navy carrier class. Contest directors cancelled the flying portion of competition in the several class. One stunt plane and a scale Navy carrier model were damaged in crashes caused partially by the winds.

Despite the hazardous flying conditions, contest director John Blum of the Sky Stealers termed the club's third annual meet successful.

The first three place winners in each of the seven events were: Proto-pod — Gene McLean (124.52 miles per hour), Charles Banks and Jerry Fols.

Navy carrier — Charles Banks, Ray White and Ray Willman.

Beginners' stunt — Al Geidlinghaus, Gene Maniche and Gerald Pollard.

Stunt — Gary Zeller, Art Bleh and Harry Lewis.

Race — Charles Banks, Carl Monroe and Jerry Fols.

Combat — Ken McClure, Ron O'Toole and Bob Sanders.

Scale — Jim Langford and Jim Wilson.

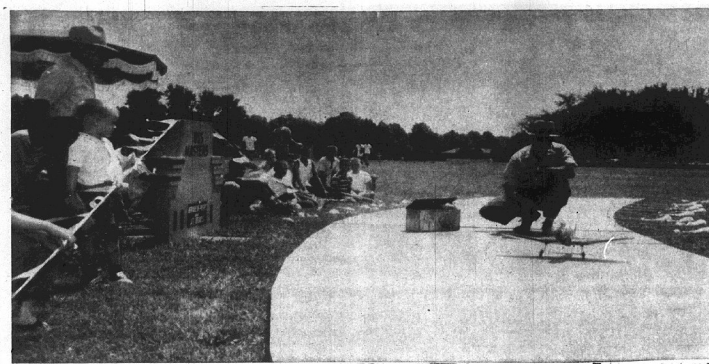

The Sky Stealers will hold an intra-club slow combat contest on Wednesday evening at the Coolidge junior high school athletic field. The public is invited.

DeMolay Truck Team Second At Area Meet

The local DeMolay truck team finished second in the Southern Illinois DeMolay truck meet Sunday at Parsons field, East St. Louis.

The local group scored 48 points to the winning East St. Louis chapter's 68. Also in competition were teams from throughout the area. The meet had been postponed after a rain-out June 24.

Hearts Hex Moose Club Again, 6-3; Pocahontas Trims Mercer, Ups Lead

Bob Price drove in four runs yesterday afternoon in East St. Louis as Granite City's Sacred Hearts continued their mastery over division leader Moose Club with a 6-3 Inter-City Baseball league victory.

Moose Club has been beaten only three times in 16 games this season, and Paul Schuler's boys have done it twice. Yesterday they got a fine, long-term relief job from pitcher John Rains, and cracked out 12 hits off loser Cliff Eckels.

Mercer Funeral Home was not so fortunate in its meeting at Wilson Park with Pocahontas, leader of the opposite division in the I-C league. The Braves took home a 10-5 victory and a 2½ game lead over the second place Mervemen.

Biggest surprise yesterday was Roxana's 6-3 upset of McAtter Glass, which has dropped its last four games. It was only the second victory in 17

outings for the Merchants, and left the Glassmen just out of fourth place in the Blue division.

Carpenter and Troy split their doubleheader, the visitors taking the first game 8-1 and Troy rebounding for a 6-1 win in the second. Maryville continued to add to the woes of Collinsville, handing the Boosters their 14th straight setback at Maryville, 10-2.

At Jones Park, Rains took over for starting pitcher Grant Takamjian when Takamjian developed a sore arm in the second inning. Rains scattered six hits thereafter, and blanked the Moose over the final four frames.

Two walks and a bunt single by Takamjian loaded the bases in the second for the Hearts. Price followed with a two-run single. A walk and Larry Diak's single in the fourth set the stage for Price again. He tripped in two more runs.

Singles by Manager Paul Schuler—his third hit—and Jim Falk, whose infield grounder took a bad hop and hit Moose infielder Larry McCaskey in the nose, broke it, and forced him to retire from the game, led to another Heart run in the fifth. Jim McCaskey laid down a successful squeeze bunt, with Schuler scoring.

Singles by Rains and Bob Burns, coupled with an infield error, loaded the bases with Hearts again in the sixth. Rains was forced at the plate, but Carl Lishner's grounder was bobbled and the final run scored.

Moose scored single runs in the second, third and fifth. McCaskey homered to center field in the third.

At Wilson Park, Lonnie Griffith kept 10 hits well scattered as he beat Jack Buente, who allowed 16 safeties. Five of them came in a six-run third inning, and included home runs by Mike McKinney and Gene Fioletti.

A walk, Harold Tankesley's double and Rudy Diak's triple got two for Mercer in the second, but the club could score only twice on five eighth inning singles.

Griffith helped himself with a leadoff home run in the sixth,

Bicycle, Tricycle Mishaps Injure Two Youngsters

Bicycle and tricycle mishaps resulted in hospital emergency trips for two local youngsters Saturday.

Treated at St. Elizabeth Hospital were:

Pamela Tester, two years old, of 4028 Vesel avenue, who caught a leg in a bicycle wheel and was x-rayed for possible fractures.

Gary Wallace, three years old, 2322 Washington avenue, who went down a flight of steps on a tricycle and suffered a deep cut to his upper lip.

John Wallace, 639 Jefferson street, Venice, who received five stitches to close a cut on his right foot after stepping on broken glass, and Leony Dale Williams, four years old, of Glen Carbon, who fell on glass and suffered a cut to the back of his head.

Changes In Park's Softball Schedule

Park district Soft, Har- old Brown this morning announced some last minute changes in softball scheduling at Wilson this week, where playoffs are scheduled in two local leagues, exhibition Class A contests will be played and a Class B regional tournament is planned.

Tonight's 35-plus and Classic league playoff schedule stands as it, Brown said, but Class B regional games have been moved from Wednesday to Tuesday night, with GCS Credit Union playing the Graniters at 7 p.m., Rome & Roy's meeting Union Starch at 8:15, and the winners playing in the finals at 9:30 p.m.

Wednesday evening the Park District Class A club will host Blue Circle Lounge of St. Louis in 7:30 exhibition doubleheader, and on Thursday evening Classic league playoffs originally set for Tuesday evening will be played at 7 and 8:15 o'clock.

Daybreak Optimists Take Part In Scuba Diving

Members of the Daybreak Optimist Club donned swimming trunks following their Saturday morning breakfast at the YMCA and participated in a scuba diving demonstration given in the Y's pool by C. E. Blankenship of the local Bubblemasters diving club. Blankenship was assisted by his son, James.

A display of diving equipment was set up poolside, and the Optimist Club members heard an explanation of its use by Blankenship, who said the sport is attracting teenagers to middle-aged individuals.

Granite City PRESS-RECORD

Mon., Aug. 13, 1962 Page 5

Wednesday Deadline To Register For GC Park Swimming Meet

Wednesday, Aug. 15, is the deadline for submitting entries in the Granite City park district's 8th annual "Swim Spectacular," which will be held on Saturday, Aug. 18 at the Wilson Park swimming pool.

Entrants, who must be park district residents, should bring completed entry blanks to the park pool office before 9 p.m. Wednesday.

Swimming and diving contests are open to boys and girls ages eight through 16. Beginning to Friday, special clinics for prospective contestants will be conducted at the pool from 11:30 a.m. to 12:30 p.m.

Swimming strokes, meet rules and starting techniques will be discussed and demonstrated through Wednesday. Diving techniques will be the subject of Thursday's clinic, and general instruction will be given on Friday.

The meet Saturday will include free style, back stroke, breast stroke and relay races for boys and girls in 9-10, 11-12, 13-14 and 15-16 age divisions, a free-style race for boys and girls eight years of age and under, plus diving competition in a 12-and-under class and 13-16 class for boys and girls. An entry blank appears in today's Press-Record.

Certificates will be awarded to the first three place winners in each event final. There is no entry fee.

Disturbance Charge

Paul Pace, 32, of 2224 Alexander street, was arrested at 12:45 a.m. Sunday at the Evergreen tavern, 2318 N. Main, for being drunk and creating a disturbance, police said. He was released on \$22 cash bail.

Park District Sweeps Doubleheader From DeVille By 2-1, 3-1 Scores

Stincy and effective pitching by Howie Lamb and Carl Glisson helped the Granite City park district's Class A softball club sweep a doubleheader from DeVille Motors of St. Louis at Wilson Park last night.

The first contest went 11 innings before the park broke a 1-1 tie on Art Borchers' single, a pair of walks and Jake Hinterser's game-winning ace with one out. Glisson twirled the first five innings, with Lamb finishing up and getting credit for the win. Bill Nelson was the losing pitcher.

Three unearned runs in a 3-1 inning stood up in a 3-1 Park District win in the second game. Two DeVille errors plus singles by Jim Bain, Jerry Pannley and Hinterser and a sacrifice fly by Babe Champion gave the park an early lead.

DeVille counted its lone run in the first also when Dick Ferrer tripped with Ken Heck on base. Lamb went all the way for GC. Ed Boneck was the loser.

The local Class A club had been scheduled here Saturday night against Chesterfield, Mo., but the Missouri club failed to show up.

Weight-Training Equipment Needed

Wanted: Weight-lifting equipment. The Granite City YMCA is seeking used barbells and other weight-training equipment which may be lying idle in homes here as additions to the materials on hand at the "Y" for classes.

Bob Whelan of the YMCA staff said the weight-training class has grown so large that there is not enough equipment to keep participants busy.

Persons willing to donate equipment may contact Whelan at the YMCA.

Facts about PHARMACY...

WHY DRUGGISTS USE RX AS A PRESCRIPTION SYMBOL TODAY

It is generally believed by authorities that the symbol "Rx" is an abbreviation of the Latin word "recipe," meaning "you take." The Rx of today, however, is a far cry from the mystical potions of ancient times!

WHY YOU CAN'T READ MOST PRESCRIPTIONS

Contrary to general belief, physicians do not write prescriptions in code, latin, or purposely unreadable by the patient. The chief reason you cannot safely read them is because the names of the drugs are unfamiliar.

There are more than 4000 different medicines in our prescription laboratory and many of their names are almost similar. We know how to spell each one and their dosage and medical uses. Of course if we ever have the slightest doubt we immediately check with the physician before dispensing.

YOUR DOCTOR CAN PHONE US when you need a medicine. A great many people trust us with their prescriptions. May we compound yours?

FREEDOM OF CHOICE: In our wonderful country we have the right to enjoy many other freedoms besides the privilege of worshipping under the guidance of the religion we prefer.

YOU CAN CHOOSE YOUR PHARMACIST: The purchasing of prescriptions, medicines, health-aids and sick room needs is almost as personally confidential as a visit to a physician.

TELL YOUR PHYSICIAN THE NAME OF THE PHARMACY YOU PREFER: If you wish your physician to phone your prescription he will then call the pharmacy you want to entrust with this important duty.

PHYSICIANS WELCOME THIS REQUEST: Their Code of Ethics does not permit, even a physician financially interested in a clinic owned by physicians to tell you where you must have your prescriptions filled. Sometimes, a busy physician may forget to ask you the name of your pharmacy, but he will be glad to comply with your request.

WE CAN FILL ANY PRESCRIPTION: Should you ever have to consult a physician in another city, when possible bring the prescription back home for compounding. You can then have it more conveniently refilled and the formulae will be in our records should your local physician want the information.

MRS. ROBERT E. BUNSELMAYER, a bride of Saturday. Before her marriage at the Old Cathedral in St. Louis she was Jo Barylske, a daughter of Mr. and Mrs. Ted Barylske, 3001 Pershing avenue.

Miss Jo Barylske Is Bride Of Robert E. Bunselmeyer

St. Louis of France Roman Catholic Church (Old Cathedral), 209 Walnut street, St. Louis, was the scene of the wedding Saturday morning of Miss Jo Barylske, a daughter of Mr. and Mrs. Ted E. Barylske, 3001 Pershing avenue, and Robert E. Bunselmeyer, whose parents are Mr. and Mrs. Earl Bunselmeyer, 2742 Sunset drive. Bouquets of white stock were used as altar decorations and a program of wedding music was furnished by John Uffers, soloist, accompanied at the organ by Walter Lehtinen. The bridesmaids were Schubert's "Ave Maria," and "Pani Angelicus."

The bride gown was designed in the current style, combining simplicity with tradition. Alencon lace over silk faced peau de soie was used to fashion the stately bell-shaped skirt. A jeweled necklace and cap sleeves lent simple elegance to the design of the bodice. Scaup's of matching lace at the waistline and the hem were the only accents. Peau de soie flared softly from the waist to form the cathedral train and a single gardenia crowned the fingertip illusion veil. The bride held a white mull topped with two gardenias. Mr. Barylske gave his daughter in marriage.

The bride's attendants, Miss Patricia Barylske, her sister, a maid of honor, and Miss Tom Kuntz of San Antonio, Tex., a bridesmaid, and Mrs. Sue Hamlett, were dressed alike in beige champagne. Made of silk peau de soie designed to complement the bridal gown, they were fashioned with bell-shaped skirts and bodices of Alencon lace with soft sweetheart necklines. Thin velvet ribbon in a subdued shade of green accented the waistlines and the green accent was furthered by the sprays of ivy which surrounded small bouquets of gardenias. Their headpieces were also gardenias.

Two junior bridesmaids, Judith Barylske and Carolyn Bunselmeyer, sisters of the bride and groom, were similarly attired. Joan Bunselmeyer, a sister of the bridegroom, and Scott Taff, the bride's cousin, served as flower girl and ring bearer.

Mr. Bunselmeyer's attendants were Carl Lester, best man, Irvin C. Slate Jr. and Kent Lattig, fraternity brothers, groomsmen, and William Jeffers and Dan Cattigan, the latter of Springfield, Ill., ushers.

For her daughters wedding Mrs. Barylske chose a green silk suit, while the bridegroom's mother wore a muted shade of beige lace and silk shantung sheath. Both had corsages of phalaenopsis orchids.

After a honeymoon trip, the newlyweds will leave for Connecticut where they will reside. The former Miss Barylske, a graduate of Northwestern University, is an English instructor at the West Haven high school in West Haven, Conn. She is a member of Mortar Board and Zeta Phi Eta, speech honorary Sorority.

Bunselmeyer was graduated from Washington University and received a master degree from the University of Wisconsin. He is a candidate for a doctorate in political science at Yale University. His fraternal affiliations are Phi Beta Kappa and Sigma Alpha Epsilon.

Among the out-of-town guests here for the wedding, beside those in the wedding party, were Miss Betty King of Arlington Heights, Ill., Miss Gay Caparich of Libertyville, Ill., Miss Ginger Meads of Wisconsin, Miss Karen Shell of Highland, Ill., Miss Jo Ann Schmalenberger and Mr. and Mrs. Donald Henson, of Springfield, Ill., and Miss Sandy Reed of Hinsdale, Ill.

Candlelight Ceremony For Kessler-Briggs Nuptials

Miss Donna Dee Briggs, a daughter of Mr. and Mrs. Robert W. Briggs of Louisville, Ky., former Granite Cityans, became the bride of Monte Kessler, a son of Mr. and Mrs. William Kessler, 2414 Grand avenue, Saturday evening at Niedringhaus Memorial Methodist Church.

Rev. Verne Barnett officiated at the 8 o'clock ceremony for which Russell K. West was organist and accompanist for her son, David, who sang "Because," "I Love You Truly" and "Wedding Prayer."

Candles lighted the sanctuary and the altar decorated with white gladioli and greenery, and a reception was held in Wesley Hall directly after the service.

Mr. Briggs escorted his daughter down the aisle and gave her in marriage. They were preceded by a matron of honor, Mrs. Rita Cockrum, the bridegroom's sister, Miss Ginger Briggs, the bride's sister, bridesmaid, and Letty Ann Kessler, a sister of the bridegroom, flower girl, and Barry Briggs, the bride's brother, ring bearer.

A gown of white nylon and silk organza was worn by the bride. Floor-length, it was designed with a sabrina neckline, long wrist-pointed sleeves and a long train.

After a wedding trip to Fort Lauderdale, Fla., the newlyweds will live at 2638 Edison avenue. The bridegroom is employed in long-wrist-pointed sleeves and a long train.

GOP Women Set Program For Two Months

An executive meeting of the Granite City Republican Women's Club was held Thursday evening in the home of Mrs. Ida Hanfeler of Thornate Farms.

Mrs. Edna Kohlbrecher presided and Mrs. Lily Chaboud announced a four per cent increase in membership for the month of July, making a total increase for 1962 of 24%.

Mrs. Vernice Wortman announced the election of Mrs. Vivian Davis and Mrs. Chaboud as delegates to the Republican state convention in Springfield, Aug. 24, and "Republican Day" to be observed Sept. 24 in Edwardsville in connection with the Madison County sesquicentennial celebration.

The daytime unit of the Republican Women's Club will take an active part in the coming election campaign, according to an announcement by Mrs. Althea Motts, chairman, and plans were made for the next regular meeting at the YMCA Sept. 20, when Mrs. Hanfeler will serve as chairman of the program and "national policy" will be discussed.

Officers present at Thursday's meeting, besides the hostess, were Mrs. Gladys Newman and Mrs. Ethel Seymour.

MRS. AILBURN L. WRIGHT, the former Denice Hagan, a daughter of Mr. and Mrs. Charles Hagan, 3104 East 23rd street, who was married Saturday evening at First Baptist Church, 21st street and Delmar avenue.

Miss Denice Hagan Becomes Bride Of Milburn Lee Wright

Bouquets of white summer flowers, palms, lighted candles in candelabra at the altar and down the main aisle of the sanctuary provided the setting Saturday evening for the wedding of Miss Denice Hagan, a daughter of Mr. and Mrs. Charles Hagan, 3104 East 23rd street, and Milburn Lee Wright, whose parents are Mr. and Mrs. Ollie Wright of Corning, Ark.

Preceding the ceremony performed at 7 o'clock by Rev. George Sagen, Elvin Kendall, vocalist, sang "One Alone" and "Wedding Prayers," accompanied at the organ by Mrs. Jewell Everett, who played the wedding march and recessional.

Given in marriage by her father, the bride wore a chapel-length gown of silk organza and Chantilly lace. The form-fitting basque bodice was designed with a scalloped neckline adorned with sequins and pearls. Panels of lace trimmed the front of the bodice and skirt and scalloped lace edged the train. A silk illusion veil, edged in lace, was held in place with a miniature crown of orange blossoms and seed pearls.

The matron of honor, Mrs. Janet Vansoye of Ottaville, Mo., a sister of the bride, and Miss Ann Baker of Columbus, O., bridesmaid, were dressed alike in ballerina gowns of peach blue lace and silk organza. Pleated cummerbunds encircled the full skirts. They were wearing matching hats and carried cascade bouquets of yellow carnations.

MRS. JOHN SIKORA, whose wedding at Sacred Heart Catholic Church was an event of Saturday morning. She is the former Sharon Nemeth, a daughter of Mr. and Mrs. Frank Nemeth, 2900 Saratoga avenue.

Sacred Heart Church Scene Of Sikora-Nemeth Nuptials

Among the late summer weddings taking place over the weekend was that at Sacred Heart Catholic Church Saturday morning of Miss Sharon Katharine Nemeth and John H. Sikora.

The bride is a daughter of Mr. and Mrs. Frank G. Nemeth, 2900 Saratoga avenue. Mr. Sikora's parents are Mr. and Mrs. Michael Sikora, 807 Grand avenue, Madison.

Urses filled with white, gladiolus adorned the altar for the 9 o'clock Mass at which Rev. John Barrett officiated. Bows of white ribbon and huckleberry fern marked the family pews.

Mrs. Margaret Cravshaw provided organ accompaniment for the soloist, Miss June Nightwine, and played the wedding marches.

The guests were seated by Norman Owens, Sam George and Dennis Freyling of Aurora, Ill., roommates of the bridegroom at Missouri Valley College. Mr. Nemeth escorted the bride.

The bridegroom wore a white tuxedo with a white bow tie and a white boutonniere. The bride wore a white gown with a white veil and a white boutonniere. The wedding was held at Sacred Heart Catholic Church, 21st street and Delmar avenue.

Aim High Class Holds Meeting

The Aim High Class of St. Peter United Church of Christ was entertained Friday evening in the home of Mrs. Edna Niepert in South Roxana.

The members were present and after a short devotional and song service, Mrs. Johanna Lampe, president, conducted a business session.

The remainder of the evening was spent at games and awards. Refreshments were served and plans were made to meet Sept. 14 in the home of Mrs. Kay Corcoran, 1316 Garfield avenue, with Mrs. Josephine Sortor as hostess.

County OKs Tavern License, Suspends Another 10 Days

A liquor license was granted, another was suspended and action was deferred on an application Thursday by the Madison County Liquor Control Commission, meeting in Evansville.

Miss Lula King of Eagle Park Acres was granted a license to operate the Wagon Wheel tavern. The place has been closed since May. It had operated without a 1962 license under another owner. The new proprietor was required to pay the full \$300 annual license fee.

Licenses suspended

A 10-day suspension was ordered, effective Aug. 10, for the Bathhouse tavern on Route 111 near Granite City. The suspension was for remaining open after the legal closing hour. Sheriff's deputies found the place open at 2:25 a.m. several weeks ago.

The operator, Mrs. Marie Potts of Granite City, was fined \$118 for the violation.

An application for a license to operate the 111 Sportsman's Club on Highway 111 near Granite City was continued at the request of the state's attorney's office. The license of a former owner who operated the tavern under the name George's Place was revoked last year. The premises cannot be licensed for one year. The county liquor commission maintains the year will not be up until the end of November, a year after the final order to close was given by the Madison County circuit court.

Southwestern Campus Registration Opens

Students wishing to register in advance for classes at the Southwestern campus of Southern Illinois University may do so for the last time starting this morning.

The last advance registration period runs from today through Aug. 24, Mondays through Fridays from 9 a.m. to noon and from 1 p.m. to 4 p.m.

About half of the students planning to attend the East St. Louis and Alton residence centers have already registered.

Those wishing a particular time for a class are urged to register as soon as possible. Registrar John H. Schnabel says, since certain class sections are beginning to fill, advance registration also eliminates unnecessary waiting in line at general registration Sept. 24. Students should register at the SIU center they plan to attend. Advance registration for night classes will take place at the times listed above.

Psychiatrist Speaks To Noonday Optimists

Twenty per cent of Americans suffer from some phase of mental illness, Dr. Robert Leider told members of the Noonday Optimist Club at their regular Thursday meeting at the Elks club.

Leider, who spoke on mental health, is staff psychiatrist for Madison County Mental Health Association clinics in Granite City and Alton and is on the staff of St. Vincent Hospital, St. Louis.

In Illinois alone over \$50 million is spent for various phases of treatment and control of mental health problems. Leider also recalled experiences as staff psychiatrist at Ft. Leonard Wood, Mo., where ten per cent of the men in basic training were given discharge for some phase of a mental problem.

Guests at the meeting were Donald Adams and Larry Arbogast. New members are Gordon Hoener, Granite City and Savings Bank, and Fred Pieper of Ford's Flower Shop.

Information To The Public On The Sanitation Department

We, the undersigned Aldermen of Granite City, would like to take this opportunity to answer the paid advertisement, from the office of the mayor, in the form of a letter in the August 6, 1962 edition of the Press-Record, and also statements made in the St. Louis Post-Dispatch dated August 8, 1962, as we feel that certain statements are misleading and inconsistent.

We feel that the City should not have entered into a contract with an out of town firm for the sum of \$147,500.00 per year, with an offer of \$85,000.00 for the equipment, since the City was offered a contract by a local party for the amount of \$130,000.00 per year with an offer of \$20,000.00 for the City equipment also, employing our sanitation workers. If the City would have followed the procedure prescribed by the City Ordinance requiring bid advertisement, this low figure of \$130,000.00 would have been considered. However, bids were not called for.

The Council authorized the Mayor, at his request, to investigate the cost of contracting the collection of garbage and refuse since the expense of operating the sanitary department for the fiscal year of 1961-1962 was \$168,011.06.

May, 1961 the Mayor appointed new committees as outlined by the S. I. U. report. Alderman Arthur Wierzer was appointed chairman of the Personnel Committee. As an economy measure he made the following recommendations: The Sanitary Dept. operate with one less truck and laying off three men, which would reduce salaries by \$18,360.00; lay off the Mayor's nephew, who was assigned to gas trucks at the city garage, which would have been a saving of \$6,120.00 per year; take over maintenance of the city dump, which has been of excessive cost to the City. This would reduce the cost of operating the Sanitary Department by \$33,280.00, for a total cost of \$134,731.06 which includes \$15,524.93 for cutting weeds by contract, purchase of chemicals and operation of fogging machines and 5 1/2 months salary for one man to cut weeds between curb and sidewalk in the city. This recommendation was turned down by the Mayor and majority of the Council. Had it been accepted, the City would still be operating the Sanitary Department, employing 15 of our Citizens and Tax payers.

Since the City Employees are not covered by unemployment Compensation, these men, if unable to find work will be forced to seek help from our township relief office, which is supported by your tax dollar. Does it make good sense to take jobs away from our own people, giving them to out of town people, thereby sending part of our tax dollar out of town? United Disposal Corp. offered to interview our unemployed sanitation workers; however, the maximum of only 5 men were needed. It is a known fact if the St. Louis local had men who were out of work, they would not accept transfers into their local.

As representatives of the people of Granite City, we feel we could not vote for this proposal and we sincerely believe if each member of the City Council would have fully analyzed this program, they could not have voted as they did, with the result that ridicule and bad publicity are being aimed at our City.

In conclusion, it is our feeling that the judgment used by Mayor Davis in letting this contract, is typical of the judgment he used when he said, "Bill Warfield can sit in his office and rot." However, by far the greatest lack of judgment was shown when in reference to the 7,000 names of Granite City Citizens on petitions, asking for the restoration of the Sanitary Department jobs, his statement to a Post-Dispatch reporter was, "I can get that many names on a petition to deny GOD."

Respectfully yours,

Paul Rutledge

Venice Homecoming At Lee Park This Weekend

Plans are progressing for the 15th annual Venice Homecoming to be staged this weekend in Lee Park, according to Eugene Elgan, 1962 homecoming chairman.

Elgan said details of homecoming events will be planned by committee members who are to be appointed today and tomorrow. The annual celebration will commence Friday evening.

Cosponsored by the Venice Homecoming and Memorial Association and the Madison Lions Club, the weekend activities will include traditional rides and entertainment. Concession stands will be operated in the park.

Funds derived from the annual homecoming are used by the homecoming association to finance its activities. Immediate goal is pay off the debt on park land, with necessary funds expected to be raised this year.

The annual Venice queen contest—an event which has been a traditional part of the homecoming celebration—will not be conducted this year. Otherwise, the event will substantially follow the pattern established in previous years.

Rides and concession stands in the park will be in operation from 4:30 p.m. to midnight Friday, and from 1 p.m. to midnight on Saturday and Sunday.

A children's matinee will be given Sunday afternoon, with special prizes for youngsters on all rides in the park.

Trash Fire Spreads Damages Auto On Lot

A trash fire spread to a pile of scrap lumber and old tires at the rear of Hundley Pontiac Co., 1501 Madison avenue, about 1:30 p.m. Friday and the resulting blaze damaged part of an auto on the used car lot.

Main station firemen who answered the alarm set the damage to the auto at \$75.

Crash At Intersection

A collision occurred at 10:35 p.m. Friday at Madison avenue and 20th street, police said. The drivers were Raymond Duke, 36, of 2205 Wilson avenue, who was southbound on Madison, and Richard C. Koseoff, 2730 Michigan avenue, who was eastbound on 20th.

Pleads Not Guilty
Carl Hoffman, 25, of 2111 Lincoln avenue, was arrested Friday night for creating a disturbance, using profane language, fighting and resisting arrest. He pleaded not guilty Saturday morning in Granite City Magistrate Court. His hearing was set for Aug. 30 by Magistrate Gasparovic, who was released on \$250 property bond.

Parked Auto Struck Twice In Half Hour

An auto parked on 23rd street at Monroe street, was involved in two accidents Friday within a half hour. Police arrested Theodore Valencia Jr., 24, of 1669 Market street, Madison, a short time after he allegedly fled the scene of the first accident.

It is alleged that he was driving west on 23rd street and struck an auto owned by Daniel J. Smith 1644 East 23rd, which was parked on the south side of the street. The accident occurred about 5:30 p.m.

He was booked for driving while intoxicated, leaving the scene of an accident, resisting arrest, and using profane language. After spending the night in jail he appeared before Police Magistrate Gasparovic and pleaded not guilty to all charges. A hearing was set for Aug. 30 and he was released on \$5000 property bond.

There were three witnesses to the accident. At 6 p.m. the auto still parked in the same place, was struck by another driver by John P. Vulin, 35, of 1644 East 23rd street.

E. St. Louis Man Hurt Here In Fall Saturday

Olin LeCompte, 40, of East St. Louis, was given emergency treatment at St. Elizabeth Hospital Saturday morning when he complained of rib injuries which he told police were suffered when he fell while leaving a store at 3000 Buxton avenue. He was taken to the hospital by ambulance from the 3000 block of Maryville road.

LeCompte told police he was leaving the store of George Barnfield and when he stepped on the edge of a step, it tripped and he fell.

Charged In Disturbance
Leonard Crone, 19, of 1708 Cleveland blvd., pleaded not guilty Friday morning to charges of creating a disturbance, destruction of property and assault. He was arrested at 5 p.m. Thursday in Granite City. Police Magistrate Gasparovic set Aug. 13 for a hearing and Crone was released on \$150 property bond. It is alleged that he threw a rock which struck an auto owned by Odie Ramsey of Granite City breaking a window.

MIDSUMMER BRIDE. The former Marilyn Rae Morris, a daughter of Mr. and Mrs. Malford W. Morris sr., was married to Billie F. Hubbell Saturday evening at Trinity Methodist Church.

Miss Morris, Billie Hubbell Exchange Wedding Vows

Wedding vows were exchanged by Miss Marilyn Rae Morris, a daughter of Mr. and Mrs. Malford W. Morris sr., 2505 Hodges avenue, and Billie F. Hubbell of East St. Louis, Saturday evening at Trinity Methodist Church.

Rev. J. T. Bryant performed the double-ring ceremony at 7:30 in the glow of candlelight. Baskets of white chrysanthemums and pom poms decorated the church and communion was administered in connection with the service. Mr. Morris gave his daughter in marriage.

Music was furnished by Mrs. Grace Black, organist, and Charles Peck, soloist. The latter sang "O Perfect Love."

A maid of honor, Miss Janice Knoeller, and bridesmaid, Miss Beverly Hubbell, a sister of the bridegroom; Bruce Cameron, best man, and Donald Mulvaney, groomsmen, made up the wedding party.

The honor attendant and bridesmaid were in identical dresses of light pink organza over pink taffeta styled with full skirts. Short fitted jackets with round necklines were worn over the sleeveless bodices and silk organza puff petals formed their headpieces. Both carried eubimydium orchids on white lace fans. Their accessories were a deeper shade of pink.

The bride gown of white embroidered silk organza peau de soie taffeta was made on princess lines with a basque neckline outlined with seed pearls and light fitted sleeves tapering at the wrists. The flowing fullness at the back of the skirt formed a chapel train and re-embroidered rose florettes were sprinkled over the entire dress. A finger-tip veil formed of layers of silk illusion was secured to a crown of pearls, and the bride carried a white orchid on a Bible.

Mrs. Morris, the bride's mother, appeared in French blue while the bridegroom's mother wore rose pink lace. Both complemented their costumes with white accessories and white eubimydium orchid corsages.

A reception was held in the church hall directly after the ceremony, with Mrs. Bruce Cameron, Mrs. Marvin Eschmann and Misses Frances Jones and Linda Binnion assisting.

The former Miss Morris was graduated from the Granite City high school in 1959 and is now a senior student in the Alton Memorial Hospital School of Nursing. She will graduate Sept. 2, Mr. Hubbell a son of Mr. and Mrs. T. J. Hubbell of Madison, Mo., was graduated from the East St. Louis high school and Southern Illinois University. He holds a teaching position with the Collinsville Community Unit 10 North Junior high school.

After a honeymoon in the south the newly wedded pair will live at 701 N. 8th street, East St. Louis.

Members of the Eaglesire Kitchen Band and other local people motored to Lake Tishomingo near Hillsboro, Mo., Sunday where they enjoyed boating, and swimming. They also attended the dedication ceremony for the new Community House and witnessed the crowning of "Miss Lake Tishomingo." Miss Wanda Kay Love, a daughter of Mr. and Mrs. Walter S. Love, former residents of Granite City, was named "Queen," winning over a field of seven contestants.

Upon their arrival Sunday morning, the local members were guests of Mr. and Mrs. Love at a luncheon served on the patio of their home on a wooded area overlooking the lake.

MONDAY, AUGUST 16, 1887
Sale of \$500,000 worth of 4 1/2 per cent bonds by the East Side Levee and Sanitary District for not advertise for bids, was revealed Friday. The sale was made to A. C. Allen & Co., Chicago, a municipal bonding firm, which paid the levee board a premium of \$500 for the bonds.

A large group of volunteers who are helping promote the bazaar which will be held the latter part of this week for the benefit of St. Elizabeth Hospital met at the hospital Thursday night and reported that 30 per cent of the \$5000 goal has been pledged. Mrs. M. E. Kirkpatrick, general chairman of the citizens' committee, said she is confident that the goal will be reached if efforts continue undiminished until the bazaar is over.

Last year the hospital collected only 24 per cent of the bills in full. Another 37 per cent was paid in part and 39 per cent of the total was entirely delinquent.

Five teaching vacancies were filled Thursday night at meeting of the community high school board of education. Three of the new faculty members are Granite Cityans and a fourth is from Venice.

The new teachers are L. E. Meek, Yates, Ill., music, \$1665; H. E. Fletcher of Venice, drafting, \$1485; Miss Nedra Goggin, Granite City, who has been teaching for the past two years at Penn. Ill., \$1850; Miss Elmore North and Melvin Jones, both of Granite City, \$1125.

Police in this area have been asked to assist an expanded corps railroad detectives in a roundup of four men in a coupe who tried to remove a section of track along the main line of the New York Central railroad just north of Mitchell last Thursday.

The vandals had removed bolts from both ends of a rail but apparently were frightened away before removing spikes from the ties. A spike placed across the track was run over by a train but caused no damage.

Francis Lynch and Elmer Neuman left Saturday morning by motor on a trip north. They

The FORUM

CITY SHOULD HAVE COLLECTORS LIVE HERE

To the Editor:

The city council is to run the city; but the taxpayers and the public put them there—to serve the public, not to sell us down the river. There is no reason we can take them out of office.

But that would be too easy. The state gave the taxpayer a good hand. If one-third did not pay their taxes till Oct. 15, and one-third did not pay until the next year, I would like to see them run the city.

I would like to know what became of the city ordinance that specified any person or persons employed by the city of Granite City must reside in Granite City in order to be employed by the city. Now, are the garbage collectors living in Granite City? Do they pay city taxes, which include auto, sales and personal property taxes? If they don't, tell the public why.

DO YOU PRAY REGULARLY?

If my people, which are called by my name, shall humble themselves and pray, and seek my face, and turn from their wicked ways; then will I hear from Heaven, and will forgive their sin and will heal their land.

Have you been born again? A live baby is washed, fed and taken care of. A stillborn is put away. Spiritual birth?

To confess your sins, ask God to forgive. Then read your Bible.

No Time For Squabbling; Lake

Outlet Problem Not Irreconcilable

Three vital community assets, one existing and the other two potential, are involved in the recent purchase by Granite City Steel Co. of 512 acres of land near the Horseshoe Lake, part of which is to be used for industrial water disposal after it is treated.

These assets are (1) the \$41 million annual steel payroll, with future job opportunities, (2) the proposed conversion of Horseshoe Lake into a state or federal recreation area, and (3) Granite City's \$10 million drainage-pollution program.

The stakes are entirely too high for anyone, especially the public, to become embroiled in controversy predicated on fears, as yet not fully substantiated. Rather than unilateral public comments by one side or the other, each should buttress its position with facts and expert opinion—then sit down together and find a workable solution.

There have been published statements that use of the lake as an outlet by the steel firm will ruin it for recreation purposes. If this is true, it would destroy the hopes of the Horseshoe Lake Park Commission for a \$3½ million development project—a project on which the commission and particularly its chairman, Henry D. Karandjef, have labored long and hard.

Yet, the Illinois Sanitary Water Board, which is charged with keeping streams pollution-free, earlier this year granted permission for the lake outlet. On the water board is an official of the Illinois Conservation Department before whom the Horseshoe Lake Commission laid its full program for recreation development two years or more ago. It would not seem such permission would have been granted if the outlet were thought detrimental to the lake.

High priority should be given to the effect denial of a lake outlet would have on Granite City's \$10 million municipal drainage-pollution program which will be voted on Oct. 2.

Contrary to some reports, the steel firm's intended discharge into the lake was public knowledge over a year ago when the company agreed not to use the new city sewers but to handle its own industrial water treatment and disposal. Hence this cost, in excess of \$2 million to the steel company, has been eliminated from the city project.

The Oct. 2 bond issue election culminates over three years' work by a citizens' committee and expenditure of \$100,000 for engineering research and plans. There is nothing connecting Granite Cityans with as much urgency and importance as the drainage-pollution program. Whatever solution is reached in the current clash of ideas must not be allowed to interfere with it; not only is the present need acute but the whole future of Granite City hinges on passage.

The proposed lake park contemplates 7,773 acres of land and water; the steel firm's setting back, enclosed by levees, would require something over 300 acres. If there is no other answer to the three-pronged problem, perhaps there is room for both and they might not be incompatible, after all.

It has been in the cards for some time, but the call for bids on a new federal-state bridge at Mitchell makes it official—the city of Madison is going partly, if not completely, out of the bridge business.

Its hopes for continuation of full-scale bridge operations had hinged on construction of a second city toll bridge, now out of the picture due to the bridge to be opened nearby in 1965.

Purchasing the then ten-year-old Chain of Rocks Bridge in 1939 with a 25-year bond issue, the city must pay off the bonds and halt its present level of tolls by 1964. However, due to the cost of future maintenance and repairs, there is a possibility of tolls continuing at a reduced rate after 1964; this point and the bridge ownership remain to be decided. Retention of ownership by the city is valued by some due to the maintenance and toll collection jobs.

In any case, Madison does not seem destined to become destitute, despite a low assessment total and higher city spending, the latter augmented by a \$100,000-a-year payment from the bridge. The bridge has been so successful that the bonds could have been paid off long ago, and the bridge treasury has built up a large reserve which the city could use for other projects or for investments to obtain yearly income on a permanent basis. The revenue from interest might well approximate present allocations to the city from bridge tolls.

Another factor to be studied is the effect of a free bridge, 1800 feet upstream, on the Chain of Rocks bridge's ability to attract toll-paying traffic.

Though fought by Madison officials for some time, the new river span will be a valuable addition to Illinois Metropolitan Area transportation facilities. While not "free" in the sense that tax funds will be used in its construction, the \$7,000,000 facility will not require a bond issue and accompanying interest costs.

expenses should be listed and paid, but there should be no flat payments without itemization.

There is no question that aldermen have a right to be reimbursed for expenses incurred in performing their duties as representatives of the city, but automatic disbursements at a fixed amount are improper. If a city merely intends to increase council members' pay, it needs only to do just that, not hide it under the guise of "expenses."

Bonafide expenditures should not be limited to \$25 or any other fixed ceiling, but to what is actually spent and approved in transacting city business substantiated by itemized statements. When less than \$25 is spent, less than that amount should be allowed.

Latin Ensemble's Message Of Good Will Seems To Be Reaching Mexican People

Though national magazines in the U. S. have not yet taken an interest in the Coolidge junior high school Latin American rhythm ensemble's venture in international good will, reports and photographs from Mexico make it clear that the touring students are becoming real celebrities south of the border. The interest shown by Mexican publications and television, the constant requests for autographs and the mammoth audiences attest to the success of the tour.

The decision to install a metal plaque commemorating the ensemble's concert in Chapultepec Park, Mexico City, is a distinct honor. Equally delectable tributes were the gift from a young Mexican boy and the kiss from a little girl, symbolizing the people's appreciation of the visit and the music.

One of the major purposes of the tour was to communicate and foster friendship with the people of Mexico, and there seems no doubt that this is being accomplished.

Free speech, according to the Supreme Court, does not give a man the right to yell, "Fire," in a crowded theatre.

Water Rate Talks On The Concert Trail With Latin Ensemble Continue Tuesday In Springfield

Hearings on a proposed water rate increase by the East St. Louis and Interurban Water Co. will continue tomorrow in Springfield, with attorneys for the water company to call witnesses in the case.

A day and one-half of hearings in Belleville was completed Thursday, with witnesses for objectors to the rate increase appearing.

Questioning of witnesses was directed by Randall Robertson, Granite City attorney for the Large Water Users' Group, and O'Fallon Mayor Henry Schwarz. Illinois commissioner Martin J. Dolan of Mt. Vernon presided.

Witnesses characterized the company's request for a \$1485-000 annual rate hike as excessive, noting that it would mean a 47½ percent increase for the average residential water consumer.

The water company seeks the increase to a rate which it says is necessary for a fair return on the money invested in its system. It has been in litigation with the city of Springfield since last February in Springfield.

Witnesses for the intervenors Thursday were Otto Wegner, Premier Stone Co. president, Belleville; Wayne Rietz, Belleville Retail Clerk Union business representative; George Badgley, St. Clair County deputy sheriff and chairman of the Belleville Trades and Labor Assembly; J. W. Kischer, General Manager of the Belleville Chamber of Commerce manufacturing division chairman; Mrs. Anita Oesterle, Belleville Shop Workers' Union local 143; James Quate, Barbers and Beauticians' Union local 108, Belleville; Alvin Nebelschick, a Belleville Township high school teacher.

GC Man Jumps Bond; FBI Search Begins

(Special From Springfield)

The Federal Bureau of Investigation has begun a search for Clyde Ray Glover, 29, of Granite City, following his failure to appear in U. S. District Court in Springfield on Thursday.

Glover was indicted in June on two auto theft charges. It is alleged that he received, concealed, stored and bartered an auto stolen from St. Louis to St. Louis.

The case was turned over to the Springfield office of the FBI.

On July 9, he appeared before the court and was granted a continuance until July 30. He was released on \$3000 bond.

When he failed to appear on the scheduled date the court continued the case for another 30 days.

When he again failed to appear, U. S. District Judge Omar Poos of Hillsdale declared the bail forfeited and issued a bench warrant for Glover's arrest.

Former Granite City Finds Drowning Victim

A former Granite City now a paratrooper at Ft. Campbell, Ky., is credited with recovering the body of a 15-year-old boy from 30 feet of water after the boy drowned while swimming in the Cumberland River.

Pfc. Phil Hardas Jr., 25, son of Mr. and Mrs. Phil Hardas of 2554 Spaulding drive, using skin diving equipment found the victim after an eight-hour search by other rescue volunteers.

The 101st Airborne Division soldier took up skin diving as a hobby two years ago.

The youth who drowned was swimming near the boat dock of a nearby Greenwood, Ky., boat club when the accident occurred.

Pfc. Hardas entered the Army after his graduation from Granite City high school, and served three years in Europe. He has been stationed at Ft. Campbell for two years.

Pfc. Hardas is married and has three children, Phil III, Glenda and Billie. His wife Anna is formerly from Augsburg, Germany.

James McEvers, 58, Dies At Greenville

James McEvers, 58, a former Granite City resident, died about 10:45 a.m. Thursday at Ullat Memorial Hospital Greenville, from complications of pneumonia.

Mr. McEvers, who had lived on Rural Route Two, Sorento, Ill., had entered the hospital Monday for removal of his appendix and suffered an embolism or blood clot in his lungs Thursday morning.

He had lived in Granite City until 15 years ago and formerly worked at General Steel Industries, Inc. Following a short stay in California, he moved to Sorento where he had farmed for the past 14 years. He is a member of Salem United Church of Christ, Alhambra.

Surviving are his wife, the former Norma Schroeder; two sons, Thomas, Florissant, Mo., and Richard, at home; a daughter, Mrs. Melvin (Frances) Bohol, Peabody, five grandchildren; two brothers and four sisters.

He was born in Winchester, Ill., a son of the late Thomas and Amelia Holiday McEvers.

Services were held Saturday afternoon at Salem United Church of Christ, Alhambra. Interment was in Salem cemetery.

Admission Requirements For SIU Registration

Students entering or re-entering Southern Illinois University must complete admission requirements before they can register for the fall quarter. This statement was made last week by Dr. John H. Schnabel, registrar for SIU's Edwardsville Campus, in announcing observance of "Admissions Week" Aug. 15-25. The University admissions policy requires prospective students to submit a high school transcript and/or transcripts from other colleges or universities previously attended, he said. These transcripts should be mailed directly from the institutions to the Office of Admissions, Southern Illinois University, Edwardsville.

Students working toward a degree must take the American College Testing examination prior to registration. Information regarding these examinations may be obtained by contacting the Office of Student Affairs.

General registration for the fall quarter at the Alton and East St. Louis centers is scheduled for Sept. 24, with classes beginning on that date.

ORDINANCE No. 2058
An Ordinance Prohibiting Out-houses, Privies and Outside Toilets, and Providing a Penalty for Violations Hereof:
WHEREAS, unsanitary conditions injurious to the public health and safety are an incident to the use of out-houses, privies and outside toilets, and WHEREAS, a recent survey of the City has revealed that there are numerous unsanitary conditions arising from faulty maintenance of outside toilets, privies and out-houses; now, therefore,
BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRANITE CITY, ILLINOIS:
Section 1: That out-houses, privies or outside toilets, or the construction of them shall be deemed illegal and in violation of the terms of this Ordinance, unless they fall within either provisions of this Ordinance.
Section 2: That within 180 days from the effective date of this Ordinance all existing out-houses, privies or outside toilets shall be removed and all remaining appurtenances thereto, including direct connection to any sewers, shall be properly filled in and/or sealed off.
Section 3: That all toilets constructed after the effective date of this Ordinance shall be contained within a heated structure and equipped with a flushing system using water supplied from a pressurized water supply system, or the equivalent, and said toilet shall be equipped with proper traps to prevent the escape of sewer gases.
Section 4: Provided, however, that this Ordinance shall not be applicable to those sections of the City where sewer lines are not adjacent to the premises in question.
Section 5: That whenever any premises fall within the exception provided in Section 4 hereof, said premises shall then have installed, or be equipped with, an approved type of septic tank disposal system.
Section 6: That the City Health Inspector is hereby charged with the duty of enforcing the terms and provisions of this Ordinance.
Section 7: That the owners of real estate wherein violations of this Ordinance shall occur after the effective date of this Ordinance shall be subject to a fine of not less than \$10, nor more than \$200 for each violation hereof.
Section 8: That all Ordinances, or parts of Ordinances, which conflict herewith are hereby repealed.
Section 9: That this Ordinance shall be in full force and effect immediately after its passage.

Others attending will be Robert Haldeman, Roger Santagato, Terry Rochester, Ted Bourbon and Edward Jacobs.

Report Venice Children Left Alone With No Food

Venice police are investigating reports that five children all under 10 years of age and including an infant, have been left alone for long hours with no food by their parents at a residence on Weaver street.
A neighbor who called authorities Friday afternoon said she found the baby crying on a bed, unattended. Police located the mother, who said her husband is unemployed and she works to supplement aid to depend children payments received from the state.
County welfare officials have been called to study the case.

COOKING HOT DOGS for the library picnic in Lee Park Thursday are Clifford Shombro (left) and Ernie Brown.

Park Picnic Climaxes Venice Library Program

Hot dogs, soft drinks and ice cream were the center of attention in Venice's Lee Park Thursday as 130 children attended the annual story hour picnic.
The outing climaxed the annual summer story hour program sponsored by the Venice public library.
Children attending the picnic first met in the library, where they were divided into groups according to ages. From there they went to the park to enjoy games and food.
The summer program was the eighth annual story hour series conducted by the Venice library. Mrs. Sybil Robbs was in charge of the weekly programs, which ended Aug. 3.
During the regular library sessions, the children heard stories, watched movies and participated in group singing and games. Children attending were of kindergarten through fifth grade age.
